

Ball knife and parameter of milling cutter feed, can offer reference, are you nodded certainly come in look?aa

Everybody is good, I will be April. The plane that sends last machines echo of 10 big clamping apparatus pretty good, the friend that misses understanding can read the article that sends before me. Want to share the feed parameter of milling cutter and ball knife to everybody today, everybody can be collected save, also can serve as a reference. If need UG study,the classmate of the data also can pay close attention to illicit letter I, after perhaps paying close attention to, subjacent comment UG can get process designing of complete set UG to study a data.

[China End Mills / End Milling Cutter](#)

Above is ball knife and the feed parameter of milling cutter, everybody serves as a kind of reference. If feel useful word can pay close attention to me, data of a few study shares to everybody when I will be errant.

If need UG study,the classmate of the data also can pay close attention to illicit letter me, after perhaps paying close attention to, subjacent comment UG can get process designing of complete set UG to study a data.

Can the classmates that can you see here comes nod and attention to me? Your jubilation is my greatest power.
